

Type:

Model:

ANCHORAGE J-Box Tree Mounting Kit

SPECIFICATIONS

USE:

The J Box is an enclosure for the wiring connections. It protects them from physical damage and from accidental contact with live wires and terminals.

The strain-relief cord grip holds wire tightly in place and helps protects against wire connections from coming loose. Provide a means for securely and safely mounting the light fixture(s), while the straps allows for a way to safely secure your light fixtures without harming the tree.

HOUSING:

Cast Aluminum. Female 1/2" NPT.

WIRE STRAIN RELIEF:

Cord grip included.

FINISH:

Architectural bronze. Custom powder coated colors available.

MOUNTING:

Rubber straps included.

WARRANTY:

Five-years.

LEGAL DISCLAIMER:

Please check your local laws before purchasing this product.

ORDERING CODES:

Junction Box Mounting Bracket. For use with 12V aluminum fixtures. Suitable for wet locations.
